## ENVIRONMENTAL POLICY

Avantgarde Tiling Ltd recognise that our activities have an impact on the environment in terms of the use of raw materials, emissions to air and water and waste generation, and seek to minimise this as far as is reasonably practicable. Our responsibility to the environment extends beyond regulatory requirements.

Avantgarde Tiling Ltd is committed to:

- Continual improvement and monitoring of our environmental performance including our company set objectives and targets, reducing impacts where possible
- Preventing Pollution
- Comply with and exceed environmental legislation, regulations and codes of practice relevant to the industry sector in which it operates.
- Retaining ISO 14001 : 2015 certification

It is the policy of Avantgarde Tiling Ltd to:

- Make efficient use of natural resources by conserving energy and water, minimising waste and recycling where possible
- Meet its duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste
- Use recycled construction materials whenever these can be commercially justified
- Keep transport use to a minimum and regularly service vehicles to maintain their efficiency
- Work with the suppliers to ensure they recognise and reduce the environmental impact of their products and transportation.

Avantgarde Tiling Ltd will review this policy at minimum on an annual basis, taking account of any changes within the legislation and our organisation, and other factors.

We will communicate this policy to all our employees and ensure they are given appropriate training to raise awareness of environmental issues both internally and extending to business interactions.

Avantgarde Tiling Ltd will make this policy available when requested to interested parties, including members of the public.
